

Copyright Transfer Terms and Licensing Policy

I or we, the author(s) and presenter(s) of the conference contribution with title,
.....
.....
have read the following Copyright Transfer Terms and Licensing Policy, and agree to them by submitting the final contribution materials.

(1) The author(s) and presenter(s) will automatically grant to UCPSS2021 a nonexclusive, royalty-free, perpetual, worldwide, irrevocable, sub-licensable, and transferable license to reproduce, distribute, publish and archive the abstract(s), research paper(s) and/or presentation(s) (the Work) (with unmodified content) in any fashion, via electronic means such as the world wide web, and inclusion in future compilations of presentations, also including online-exploitation via electronic means in order to organize an e-conference, regardless of the accessibility through paying registration. This "nonexclusive" license means that the author(s) are not restricted as to future use of the material except that exclusive rights cannot be granted to another.

(2) The author(s) and presenter(s) warrants that they have the right to grant the license specified in (1), that the Work is original and publication by UCPSS2021 or its licensees will not be in conflict with existing copyright or other restrictions.

(3) The author(s) and presenter(s) acknowledge that acceptance of the abstract(s), research paper(s) and/or presentation(s) does not imply UCPSS2021 endorsement of or agreement with the ideas presented. It is understood that UCPSS2021 does not accept responsibility for any content within the abstract(s), research paper(s) and/or presentation(s) that may be found to be libelous, infringing on copyright or other intellectual property rights, invading individual privacy or to be otherwise unlawful. Under no circumstances shall UCPSS2021 be liable for any damages resulting from use of information included in the presentation.

(4) Finally, the undersigned confirms that he/she has the power and authority to make and execute this agreement. For jointly authored works the signing author/presenter signs as authorized agent for the others.
